Star Quality

Scrolling through Instagram, I recently came across a guy who walks around with a rolled-up red carpet. When he sees someone approaching, he unrolls the carpet in front of them. And without exception, the initial surprise of these unsuspecting pedestrians, quickly turns to delight as they proceed to sashay and strut their stuff on this makeshift cat-walk. And for those few seconds, they feel and act like a star.

Watching their reaction is both joyful and beautiful.

When was the last time you felt seen and celebrated? Can you remember the last time someone told you what they appreciate about you, or how wonderful you are?

When it happens, it's a joyful and beautiful thing. It's transformative.

It costs absolutely nothing to roll out the red carpet; to lift someone with our words. But sadly, I think we're often too distracted or embarrassed to tell someone just how much we value them, or to list those small things in them that make a big difference to us. It's so much easier to stay silent or to take one another for granted.

Throughout his life, Jesus lifted the faces of the downcast, and celebrated the forgotten. In his presence people felt seen and celebrated. It's an example worth following.

Today, may we each commit to packing our invisible red carpet, and with our words and attention highlight the star quality in the next person we meet.

Alan

Exploring Confirmation

Service of Confirmation, St Andrews, Tuesday 4th June

We're delighted to be welcoming Bishop Stephen Venner to St Andrew's for a service of Confirmation for both our parishes on **Tuesday 4th June at 7.30pm.**

Confirmation is for anyone who...

- may have been baptised/christened as a child and would like to affirm that faith for themselves.
- would like to take the next step in committing to following Christ.

In this very special service, the Bishop lays his hands upon our heads, speaks our name and prays for the strength of the Holy Spirit to fill our lives.

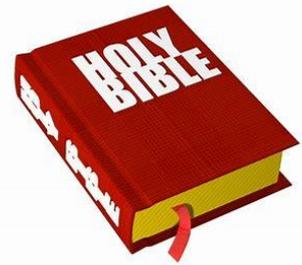

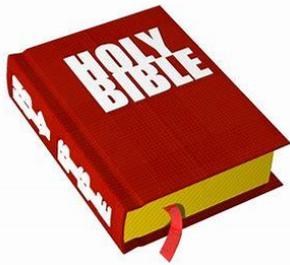

We're holding a two-session **Exploring Confirmation** course for those who would like to think about this.

Each session will be tailor-made for those who come, with an opportunity to choose the questions you want to explore.

Tuesdays 14 and 21 May 7.30-8.30pm.

The Bible Course

An eight-session course helping you to explore the BIG story

Whether you're well versed in Scripture or new to the Bible, The Bible Course (from the Bible Society) offers a superb overview of the world's best-selling book. The course will increase your confidence, equip you to read the Bible better and help you to see its relevance to daily life. Over eight interactive sessions, it combines video teaching, group discussion, personal reflection and daily readings.

Meeting people in groups, where everyone shares their thoughts and experiences, lies at the heart of The Bible Course as everyone learns from each other.

13 of us took part in this course last autumn and found it really helpful and enjoyable.

We are looking to offer it again in the summer, starting in early June and we'd like to get an idea of what size of group we might expect before deciding on a time and venue.

To find out more, or to register your interest in attending the course, please get in touch with Kath Oates: kathoates2022@virginmedia.com

A Personal Prayer with Rev Alan

Becoming a Friend

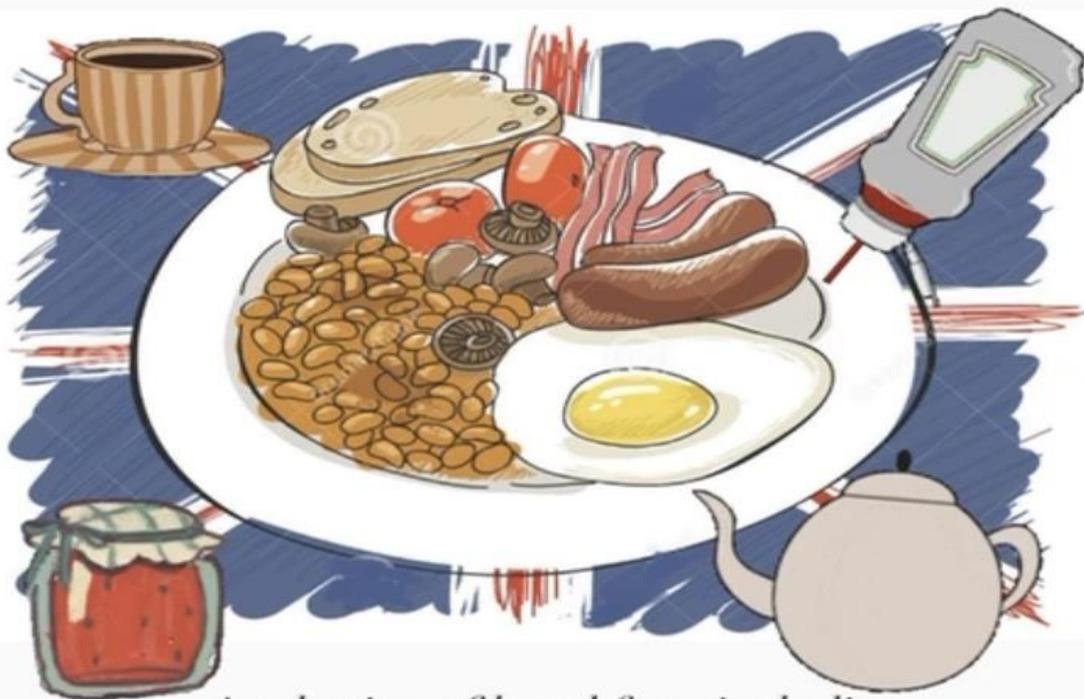

The Friends of Hertingfordbury St Mary was granted charitable status just before Christmas (Charity number 1206041).

The purpose of The Friends is to raise money for the restoration and preservation of the church building and churchyard. The funds are not for the day to day running of the church. That's the responsibility of the congregation. We should like to make sure that this beautiful church is here for future generations.

Membership forms, with the FoHSM account details, are available inside the church by the south door should you like to become a Friend or make a donation. Please do not hesitate to contact me if you would like more information. Thank you for your support.

Eco Church: Caring for God's Earth

Help us to respond faithfully to the climate and nature crises

Evelyn Simak / St Andrew's church, Roudham - pigeons perched in the sound hole

Eco Church is a scheme run by A Rocha UK, equipping churches to care for God's creation through their worship, buildings, land, community engagement, and individual lifestyles.

Essentially, the idea is that churches make a commitment to demonstrate their engagement with the environment by working towards an award.

There are five areas that a church must demonstrate environmental engagement with to receive an award:

- Worship and teaching
- Management of church buildings
- Management of church land
- Community and global engagement
- Lifestyle

According to the Church of England website: 'As of the end of 2022, there are 1155 Bronze, 401 Silver, and 23 Gold Church of England Eco Churches, and our first two gold cathedrals; Salisbury and Chelmsford. The scheme is a fantastic resource for encouraging churches, cathedrals, and dioceses to embody the fifth mark of mission.'

St Mary's is proposing to have a go at working towards a Bronze Award! If you care about the environment and would like to get involved, ask Rachel Carter (raich.carter@yahoo.co.uk)

St. Mary's Churchyard Regulations – Easter

We are very conscious that this is a sensitive area – and we are most grateful for the care shown by many people tending graves and memorial plaques – but as Churchwardens we are required to ensure that the regulations laid down by the diocese relating to the churchyard are adhered to. The rules relating to churchyards are very stringent compared to those applying to local authority cemeteries. The full regulations are displayed on the noticeboard by the entrance and inside the South Door porch.

We would therefore ask that you remember that the placing of the likes of Easter Bunnies, windmills and so on, on graves/plaques is not permitted. Similarly floral remembrances should consist of natural flowers. Also please do not use glass vases or jars as they might be accidentally broken during mowing.

Whilst we should be reluctant to do so, we will, if necessary, remove items. We would always be happy to explain our reason for doing so. Please do speak with us if you would like advice about what is permitted.

Remembrances should be removed by Ascension Day (9 May) at the latest. Thank you.
David & Robin, Churchwardens

Meadow Saxifrage, below, is already flowering in the St Mary's churchyard nature plot (in the front middle section)

Meadow Saxifrage

The delicate, snow-white, five petalled flowers and long stalked, kidney shaped leaves are distinctive features of the meadow saxifrage.

This is a declining species nationally with its stronghold in eastern England. It was once a common species on hay meadows and old grasslands but as these habitats have vanished so has the meadow saxifrage.

Thank you to Rev Bill Church for this photograph

A Job Well Done

The Hertingfordbury Village Residents Association (HVRA) is pleased to announce the notice board has been successfully installed on the back wall of the village triangle. We were able to obtain a grant from Hertford Town Council for this and thanks goes to Robin Bishop who liaised with the appropriate department on our behalf.

This completes the project planned by Mick Barratt during the early stages of the COVID lockdown. Thanks to all who supported the undertaking in the village, in particular Mick Barratt, David Gorton and James Lidgett; but really so many contributed throughout and we should all pat ourselves on the back for a piece of landscape well done. A reminder also that the village sign was painted by Sarah Williams and planned and executed by Mick.

Over the last few years there have been photos in the Parish News as the project has unfolded and recently one showing the sign with newly erected lights. These last few are showing 2 villagers using the notice board (Helen Bishop & Suzanne Rutland-Barsby) and the planted area in all its glory. Penny Barratt

Hertingfordbury Parish News – February 1994

Last month we had a piece on the 30th anniversary of the ordination of women priests featuring our **Rev Rosemary Caruana**. This month **Joan Haynes** sent me an old copy of the Parish News from February 1994, 30 years ago!

The Rector then was **Rev Jim Birtwistle** and Rosemary was Parish Deacon. The attached images and texts from that edition feature a letter from Rosemary regarding the Christmas services and Christingle as well as the arrangements for services at St John's lest we forget.

Also **Jean Walker** was one of the churchwardens along with **John Wood**. They both did so much for St Mary's and of course in those days St John's

Also highlighted is the mention within the magazine of the new tapestry work (runners, cushions & kneelers) for the Chancel & Sanctuary at St Mary's. This was all organised by **Richard Hitch** who also designed and drew the front covers of the magazines then and this one features the heraldic motifs used in the new tapestry work.

Thank you Joan for sharing this with us

"Dear Young People of the Parish,

Thank you very much for attending in such splendid numbers the Crib service, the Christmas Morning Family Eucharist and the Christingle Service. Whilst I appreciate that these three services are rather Special, I would like to point out that on alternate months throughout the year there is a service at St John's, Letty Green. In 1994 these services will be on the 4th Sunday of the following months: February, April, June, August and October. The service begins at 10am and there is always time for refreshment afterwards. Please give some thought to coming – you never know – you might enjoy it! Mums, Dads, Grandparents and all adults are all most welcome too, for after all the Family in Family Service is the Family of God and that is YOU - With love & blessings – **Rev Rosemary**"

"New tapestry work (runner, cushions, kneelers) for the chancel & sanctuary at St Mary's are now nearly complete. They will not be much seen by the congregation once they are in place. They will therefore be the subject of a small display in the North Aisle on Sunday 20 February for anyone wishing to see them – **Richard Hitch**"

Joint Parish Awayday

Wholehearted Enjoyment

After a spring of persistent wind and rain, the second weekend of April 2024 blossomed with unexpected sunshine. This was just as well, as around 80 people from the congregations of St Andrew's and St Mary's joined together at St Joseph's in The Park School in Hertingfordbury for the parishes' annual get-together or 'awayday'.

In keeping with the 'wholeheartedness' theme of the event, it was a day of wholehearted joy. With the help of some careful planning by the two churches and members of staff at St Joseph's, the classrooms, hall and beautiful grounds were turned into temporary worship areas, musical studios, creative workshops and places to dine and socialise.

It was relaxed. It was inspirational. It was creative. But more than anything, it was fun. Look out for a full report in next month's magazine. In the meantime, take a sneak preview of the happy participants gathered in the morning, enjoying a break in the sunshine and looking forward to their school lunch (which was yummy).

OVERFLOWING WITH THANKFULNESS'
(COLOSSIANS 2:2)

We are looking forward to our Summer Term here at Hertingfordbury and would like to take this opportunity to share with you some of our children's recent learning.

Year 4 trip to The British Schools Museum, Hitchin

The children in Year 4 enjoyed a day at the British Schools Museum in Hitchin, linked to their current History unit of learning 'How did the Victorians influence our life and our school?' The children and staff came dressed in role as Victorians. The children stepped back in time to see what life would have been like for a Victorian child.

Year 5 History - Ancient Greeks Day

Our Year 5 class transported back to Ancient Greece. They came into school dressed in their togas and enjoyed a whole day of different activities to end their History unit of learning 'What do we learn from the Ancient Greeks?'

Sports News

A team of children from across years 3 to 6 went to Hertford Rugby Club for the Hertford and Ware School Sports Partnership Cross Country event. We are very proud of all the children, who as a team won the overall trophy. We also had some individual medals.

Volunteers needed to open/close St. Mary's

As part of St. Mary's commitment to be 'Here with you, Here for you' we are pleased that we have been able to keep the church open during the day. However, to do so requires volunteers to open and close the building every day. As a village if we want the church to be open – and I think we do - we need some new volunteers. It is not an onerous task.

Please give serious thought to joining the rota and speak to one of the Churchwardens. Thank you for considering this

WALTER WALLINGER CHARITY

Walter Wallinger died in 1709 leaving "Four hundred pounds for the placing of poor children of this Parish as Apprentices."

Times have moved on and the trustees of the charity now take the view that the income from the endowment should be used to give grants for educational purposes to people under 25 who have for at least two years lived, or been educated, within 'the ancient parish of Hertingfordbury' which today roughly means Hertingfordbury village and the five Greens and outlying houses.

Something of the order of £1500 is available annually. Typically grants are one-off payments not exceeding £450 for something that will help with the applicant's education in a broad sense, such as a musical instrument, specialist equipment, a field or other course. Grants are available to anyone in school, FE or Higher Education.

An application form is obtainable from Robin Bishop, the Chairman of Walter Wallinger's charity at robinhbishop@gmail.com
